

From my sister Shayla
A note about Loren Allen by his sister, Shayla-

Loren is the best and only brother I have and he is 6 years older than me. My parents described him as "hard to handle" as a child which led to interesting parenting techniques by my inexperienced parents. Likely due to these parenting styles, Loren was pretty withdrawn, and growing up he didn't interact with me much. He seemed to hate school other than acting and art class and he was always getting into trouble doing the craziest things. He was goth and wore lots of black and a cape. He loved video games, energy drinks, and goth girls. One time he pierced his eyebrow with a needle and went to school with the needle stuck in his eyebrow. He got sent home. To break up with his first girlfriend he brought a knife to school and told her he was going to eat her. He got sent home.

Loren is wired differently than other people and his brain is very difficult to understand. He is a good guy and incredibly giving. He would give his last dollar or the shirt off his back to someone who needed it. I love him very much.
